## **Proposed Resolution: Make Minnesota a Sanctuary State**

### **Resolution on the Declaration of Sanctuary Cities throughout Minnesota And Declaration of Minnesota as a Sanctuary State**

*Presented to Precinct Caucuses in Minnesota, February 6, 2018*

#### **Whereas:**

President Donald Trump is demonizing, detaining and deporting our immigrant neighbors on an unprecedented scale and this goes against our values;

#### **Whereas:**

President Trump cruelly ended Deferred Action for Childhood Arrivals (DACA), leaving around 800,000 young immigrants who grew up in the U.S. at risk of deportation, and he is cynically using their vulnerable status that he created as a bargaining chip to try to shut off immigration to the U.S. (especially from Latin America, Africa the Middle East and Asia) through a border wall, increased militarization, and ending decades of family-based migration;

#### **Whereas:**

President Trump ended Temporary Protected Status (TPS) for Haitians, Salvadorans and others, leaving hundreds of thousands of long-established immigrants newly vulnerable to deportation and separation of families;

#### **Be It Resolved:**

That the \_\_\_\_\_ urges cities and counties throughout Minnesota to adopt Sanctuary City policies and platforms to do everything they can to protect immigrant community members in their jurisdiction;

#### **Resolved:**

That the \_\_\_\_\_ urges the State Legislature and the Governor to declare Minnesota a Sanctuary State and implement statewide sanctuary policies to protect immigrant community members statewide.

**THIS RESOLUTION WAS:  ADOPTED  DEFEATED**
